Fayette County Youth Association Boards consist solely of volunteers who devote their time and efforts to offer the children in the county an opportunity to participate in organized sports. They depend on your participation, and without these volunteers, children may be turned away for lack of coaches. These associations are constantly in need of head and assistant coaches. DISTRIBUTION OF BROCHURES

Brochures are printed for the Winter/Spring, Summer, and Fall seasons and are distributed in school offices, Fayette County Administration, Library, and Fayette County Parks and Recreation Department facilities.

MISTAKES HAPPEN

Occasionally there may be an error in days, times, registration requirements, or fees in this brochure. When such errors do occur, our staff will do everything possible to correct the situation promptly. Thank you for your patience and understanding should these situations arise.

CLASS STATUS

Classes that do not attain the minimum enrollment will not be charged an administration fee. If a class or program is cancelled for insufficient enrollment, a refund or credit will be issued. The credit for the amount paid must be used for another program/class/trip and must be used by the end of the next brochure's offerings.

OUT-OF-COUNTY REGISTRATION

Recreation classes/programs/trips are open to out-of-county registrants on a space available basis. Out-of-county fees will reflect a 50% surcharge in addition to the printed fee.

FEES AND PAYMENTS

Payment of fees is required at the time of registration. After the second class, registration will be closed and no late registration will be accepted.

CONTACTS

Some programs listed in this brochure are administered by contracted individuals or clubs who use county facilities. If a contact name and phone number are listed, please call the individual to obtain more information.

LOST AND FOUND

Items left in any of the parks are turned in to the association concession stands or our offices. We will keep the item for two weeks and then donate them to a local charity if not claimed.

RISK INVOLVEMENT

Many of our programs involve strenuous activities and a certain degree of risk. Inquire with staff for further information regarding the amount of activity expected of participants and the risk, if any, normally associated with the program. By registering for an activity, the registrant acknowledges that he/she is aware of the risk, is physically capable of participating in the activity, and voluntarily accepts any risks involved.

INSURANCE

Individual accident and health insurance is not provided by the county for participants in our department programs.

SUPPLY LISTS

Some classes require a supply list that you will be given at the time of registration. Other classes may have supplies at the first class. Payment for these supplies is paid directly to the instructor.

PARK ELEMENT, TREE, AND PLANT DONATION PROGRAM

Contact Fayette County Parks and Recreation Department for information on honoring someone with a park element, tree, or plant donation within our parks.

GIFT CERTIFICATES

Gift certificates are available for any amount and will fit your needs for holidays or birthdays. They may not be redeemed for cash but can be applied to any program/event/league.

SPEAKER'S BUREAU

Clubs, groups, PTOs: Invite one of our staff members to your meeting and let us keep you informed of our goals and objectives, new programs being planned, and how your tax dollars are being spent for parks and recreation opportunities within Fayette County.

PICTURES

Pictures are often taken of participants in our programs/events/leagues using our facilities. We reserve the right to publish these pictures in our publication or Web site. If you do not want your picture taken, please let us know upon registration or before we snap that picture-perfect pose.

SEVERE WEATHER POLICY

Fayette County has made significant strides in preparing for and warning the public about severe weather. If early warning sirens are activated, programs/leagues could be immediately delayed or cancelled for a general time period.

AGE REQUIREMENT

Each class/program has a minimum and/or maximum age requirement. The participant must meet this age requirement within the duration of the class/program. Failure to adhere to these policies will result in loss of registration fee.

JOINT COOPERATIVE EFFORT

Fayette County Parks and Recreation Department works closely with Fayette County Board of Education and other Parks and Recreation Departments within the county. From time to time, functions may be co-sponsored in an effort to provide comprehensive activities/events for the entire community.

PROGRAMS

Nothing can kill a good program faster than waiting until the last minute to register. If you would like to participate in a program/trip/event, please REGISTER WELL IN ADVANCE of the registration deadline. At some point we must determine if enrollment is sufficient to hold the activity. If minimums are not met, we will cancel that program/trip/event. There is a point when a program/trip/event must be modified or cancelled. All programs/trips/events require coordination in staffing, purchasing supplies, and transportation. Your cooperation will help us provide the best organization and administration of programs.

REFUNDS

See page 21 for information on FCPRD program refunds.

TRIPS

Regarding trips and charter bus trips that admission must be paid in advance, refunds will only be given if we can sell your space and ticket. No refunds for no-shows. Some of our trips have a waiting list, and if you cancel at the last minute or do not show, you may deprive someone else of being able to attend. Dates and times may be subject to change depending on the trip. Due to the economy, some trip locations adjust their open/close days after the brochure has been published. Arrive 15 minutes prior to departure time.

The "MindUp" curriculum uses research-based lessons with the latest information about the brain to improve behavior and learning. It is shown to enhance perspective taking, empathy, kindness, and social skills as well as fostering complex problem-solving skills. WHAT'S THAT NOISE!

When you hear the emergency warning sirens in Fayette County Parks and Recreation areas you need to take immediate action. The Fayette County 911 Center will sound for the following conditions:

- A tornado warning is issued by the National Weather Service for Fayette County.
- A severe thunderstorm warning issued by the National Weather Service for Fayette County with winds of 80 mph or greater and/or hail greater than 2.5 inches in diameter.
- A confirmed tornado sighting by a credible source.

The Fayette County 911 Center will announce a verbal warning message (no siren tones) in recreation areas when the following occurs:

- A severe thunderstorm warning with expected wind speed of less than 80 mph and/or hail less than 2.5 inches in diameter.
- A significant weather advisory (SWA) accompanied by lightning, hail, and strong winds.

TAKE IMMEDIATE ACTION

- When siren sounds or verbal warning is given immediately leave and seek shelter in a safe area.
- If during a storm you are outside in an open area away from shelters, lie flat on the ground away from trees until the storm passes.
- Tune to a local radio station for weather updates.
